AutoCAD Intermediate Essentials

Course Description: This course covers more sophisticated techniques that expand the mastery of the AutoCAD software. It goes beyond the basic skill of using a template to understanding the process of setting up a template, creating annotation styles, and how to work with external references.

Prerequisites: Completion of AutoCAD Essentials or equivalent experience using the AutoCAD software.

Length:	2 days
Times:	8:30 AM - 4:30 PM
PDH Credit Hours:	13 hours
